More Information for Your Financial Game Plan

This booklet covers a variety of long-term income planning strategies. Regarding a variable annuity, an insurance company accepts contributions from you and guarantees future income to you. You allocate contributions among underlying investment options. Returns are tied to their performance. There are separate account charges and added charges for optional benefits. Withdrawals may be subject to charges and may reduce contract benefits and values. See product and fund prospectuses for full details. And team up with a financial professional to help you achieve your retirement income game plan.

Products are issued by **Integrity Life Insurance Company**, Cincinnati, OH, **National Integrity Life Insurance Company**, Greenwich, NY, or **Western-Southern Life Assurance Company**, Cincinnati, OH. Securities offered by **Touchstone Securities, Inc.*** Cincinnati, OH. Integrity Life operates in DC and all states except ME, NH, NY, VT, where National Integrity Life operates. Western & Southern Life operates in all states except AK, ME, NH, NY, RI. W&S Financial Group Distributors, Inc. is an affiliated agency of the issuer. Issuer has sole financial responsibility for its products. All companies are members of Western & Southern Financial Group. Product approval, availability and features may vary by state. See your financial professional for details and limitations. Payment of benefits under the contract is the obligation of, and is guaranteed by, the insurance company issuing the product. Guarantees are based on the claims-paying ability of the insurer. Western & Southern member companies and agents do not offer legal or tax advice. For tax information, see an attorney or tax advisor. Variable annuities are tax-deferred insurance products. If you invest through a tax-advantaged plan (e.g., IRA or 401(k) rollover), you receive no added tax advantage or deferral from an annuity. Earnings and pre-tax premium payments are subject to income tax at withdrawal. Withdrawals before age 59½ are generally subject to charges and taxes, including a 10% IRS penalty tax.

There is no guarantee of the investment performance or safety of variable annuity investment options. Investment return and principal value of an investment in a variable annuity fluctuate, so units, when redeemed, may be worth more or less than their original cost.

Investors should carefully consider investment objectives, risks, charges and expenses of the contract and the underlying investment options. This and other information is contained in the product and the underlying fund prospectuses and, if available, summary prospectuses. For prospectuses, call 800.325.8583 or visit WSFinancialPartners.com. Read prospectuses carefully before investing.
